Police Regard Reported Attempt of Herbert Crutchley to Take His Life in Cell Merely Scheme to Cause Removal to Hospital and Gain Freedom.

WASHINGTON TIMES BUREAU, ANACOSTIA, D. C., MAY 16. Herbert Crutchley, the young man who fled from the Casualty Hospital yesterday morning, following his removal to that institution by the police of the Anacostia station, where he was detected in an alleged attempt to hang himself in a cell, was seen in Anacostia yesterday, but the police were unable to arrest him. He reappeared in the town early in the morning and talked with some of his companions. The authorities, while not aware at this time of his whereabouts, expect to find him without much difficulty. The reported attempt at suicide made by the young man, is now regarded by the police as being nothing more than a ruse to secure his

removal to a hospital, where the removal to a hospital, where the chance of escape would be easier, as proved to be the case. He did not injure himself in the least by tying his suspenders around his neck, and when found was comfortably seated on a bench instead of swinging from the cell bars. Two charges involving disorderly conduct on the streets are filed against him. filed against him.

Capt. William T. Anderson and a force of policemen from the Eleventh precinct spent several hours yesterday evening fighting a woods fire near cort Stanton. It was in dangerous proximity to a row of dwelling houses. The policemen secured brushwood and young satisfies and worked with them as fire ex-A. H. Van Buren, the new leading the flames.

An improvement was noted today in the condition of Curtis Rusk, the young man who has been confined to his residence, in Chester street, suffering from concussion of the brain, following an injury received in a baseball game, when he was knocked down by being hit with a pitched ball. The aphasia from which the young man suffered has disappeared, and it is expected that his recovery will follow.

William H. Ford, an Anacostia business man, who was removed to Provi-dence Hospital last week for treatment, has improved rapidly, and it is probable that he will return to his home, in Fourteenth street, this week.

### Medical Men Discuss Infantile Paralysis

The prevalence of infantile paralysis, its treatment and prevention, are the themes considered by Georgetown University Medical Society at its meeting last night. It was pointed out that the disease caused 829 deaths in 1910. The malady, it was stated, is most prevalent during the summer, and children under five years of age are especially liable to attack.
Dr. J. F. Anderson, Dr. Tom A. Wilsliams, Dr. John L. Lewis, Dr. Prentiss Willson, Dr. S. S. Adams, Dr. William C. Gwynn, Dr. Francis B. Bishop, and

John Dunlop presented papers on A detailed report was made by Dr. Philip S. Roy, chairman of the commit-tee which made an investigation of the infantile paralysis epidemic. Dr. James Dudley Morgan, president of the so-clety, was in the chair.

# Lehigh Dramatic Club

"The College Widowers," a musical omedy dealing with typical college scenes, was given yesterday evening at the National Park Seminary, Forest Glen. Md., by the Mustard and Cheese Dramatic Club of Lehigh University, before a large audience composed of young women and faculty of the school and members of the Southern Lehigh Club, their wives and invited guests. The play was complimentary to the school and to the local alumni of the university.

In the production the college boys availed themselves of the opportunity to show their ability as singers and dancers. The music of the play is by one of the students. E. S. Colling, '12, one of the students. E. S. Colling, '12, of Oll City, Pa. In the cast are two Washingtonians, C. H. Warrington, '12, and A. F. Eberly, '13.

The Southern Lehigh Club, for whom this performance was principally given, is composed of about 100 local alumni of Lehigh University, a number of whose members hold important positions in District and Government work. Attorney General Wickersham is a member of the club by virtue of his having been in the class of 1877 at Lehigh.

# MALARIA Where all else merely relieves ELIXIR BABEK

WILL CURE

ELIXIR BABEK is a Southern remedy for an aliment best understood in the south and in all hot countries, where miasmatic conditions prevail. No part of the United States, however, is free from the dread scourge which saps vitality and exposes the system to the attacks of malignant disease. HOT WEATHER is coming on. If, instead of warming, invigorating you there is a chill feeling of winter lingering in your blood, MALARIA is yours, and ELIXIR BABEK will cure it—taken in time will prevent it.

USED ONLY HALF A BOTTLE Washington, D. C., Oct. 15, 1960.
Gentlemen: This fall my little girl was again attacked by malaria. I sent for a bottle of ELIXIR BABEK, and I must say it has passed my most sanguine expectations. She has entirely gained her normal condition and has no signs of a return of the dread disease. One-half bottle only was used.

Respectfully,

A. D. HAYWORTH.
